

Tussock Dream Collection

Indulge your senses with the ultimate in bedware luxury with the Nimbus Tussock Dream range, blending pure New Zealand wool clusters with white goose down. Immersed in inspiration from the magnificent tussock covered high country that stretches across the South Island of New Zealand, this range creates the utmost luxurious sleep experience for your home and your home away from home.

Tussock Dream Duvet

Light as a dream, Nimbus Tussock Dream comforters and pillows are the ultimate in bedware luxury, blending pure New Zealand wool with white goose down - as unique and natural as the vast plains of tussock which stretch across the heart of the South Island high country.

MATERIALS: Soft, small clusters of pure New Zealand wool (40%) blended with premium grade white goose down clusters (60%) for lightness, drape and warmth. An exceptionally comfortable, safe and healthy alternative to synthetic fill. 100% fibre and down-proof natural cotton cover, 223 threads per inch. The cassette construction holds the wool fill in place, providing constant overall warmth and comfort.

SIZES: Single, King Single, Double, Queen, King and Super King.

WEIGHTS: 200 gram and 300 gram.

COLOURS: White.

MAINTENANCE: Follow the manufacturer's care instructions. Air regularly in sunlight. Dryclean only in a moisture-free environment.

Tussock Dream Deluxe Reversible Underlay

The Tussock Dream Reversible Underlay is the ultimate in all season sleeping comfort. Two layers of wool create warmth for the winter months while the cotton quilted reverse is perfect for those hot summer nights.

MATERIALS: Soft, small clusters of pure New Zealand wool encased between deep wool pile and a luxurious quilted cotton cover, 223 threads per inch. An exceptionally comfortable, safe and healthy alternative to a synthetic underlay. The combination of cotton and wool discourages dust mites, reducing the risk for allergy and asthma sufferers.

SIZES: Single, King Single, Double, Queen, King and Super King.

COLOURS: Cream.

MAINTENANCE: Air regularly in sunlight and brush up woolpile. Dryclean only on gentle cycle.
